OTTAWA CIVIC HOSPITAL CONCERN

The Ottawa Civic Hospital is currently showing signs of cancelling Masses for Catholic patients. These faithful are dependant on the medical care they provide, and therefore, are equally reliant on these institutions to allow for the spiritual care they need to be readily available. Without appropriate spiritual care, it will prove damaging to the spiritual progress of hospitalized Catholics. Please show your support in standing against these decisions by emailing the Ottawa Civic Hospital with a statement sharing your concerns. Your message needn't be long or complicated. A simple message voicing your disapproval will do.

Please send your messages to:
